Dear Parents,

We are putting together the next edition of our Buddy Book! This is a directory that is provided twice annually to participating ADLC families. It provides student and parent information. The purpose is to encourage our families to communicate with each other and build strong friendships. If you wish to be a part of this endeavor, please complete this form. Only families that provide information for their child, and for at least one parent, will receive a copy of the Book once it is complete.

This form should be returned, completed, by **September 30, 2018**. If we do not receive it by that date, we will assume you do not wish for your information to be included in the Buddy Book.

Thank you for your help.

Best wishes,
Peggy
